

Blackbox Tv

Tutorial and Quick Reference Guide

[Let's Set Up your App for 1st Time Use]

1. First we must set up network connection. Press the HOME button on the remote. Go across the top and click on SETTINGS. Arrow over and click on Network. Once there find your internet name. Click on it and enter your wifi password from the side of your internet box.
2. Once you are Connected. Press the Home Button on the remote again and arrow down to Blackbox Tv, click on it.
3. Here you will Enter your Username(we gave you) then enter your Password(we gave you) then login. Let the system update. Then go to the main page.
4. Arrow up to the top right corner to the GEAR ICON and click on it. Arrow down to Time Format and change it to 12 Hours Format, then Save Changes. Click the back button on the remote and click on Live TV
5. Arrow up to the top right corner and click on the (:) next to the Magnifying Glass. Arrow down to REFRESH TV GUIDE. Once this is done, you will be back to Main Menu page. Now you can now setup your FAVORITES.

Use the information below to set up Favorites

First 4 steps is for Central Alabama residents

1. Go to Live Tv and arrow down to the All category and click on it.
2. Arrow up to MAGNIFYING GLASS click on it and type in Mont
3. Click Next and then arrow down to 1st listing. Hold center button down, a popup will appear. Arrow down and click ADD TO FAVORITES. Do this for all the other listings as well.
4. Once this is done, click the back button. Those are your locals.

Do this step for every cateogory to save your FAVORITES

5. Arrow over to USA Entertainment category and click on it.
6. Arrow up again to MAGNIFYING GLASS, click it and this time type in US .
7. Scroll down the listing and for every channel you like, Hold the center button down, arrow down and ADD TO FAVORITES.
8. Once you are done with that category, click the back button and next and go into the MOVIES category. Do the same thing as before. Arrow up to MAG GLASS, type US, scroll down, hold the center button and ADD TO FAVORITES. Do this for each category, once you are finished, arrow to FAVORITES and enjoy.

****Having problems with your channels connecting, Try this****

1. Always go to Home, Settings, then down to Network and make sure your internet says CONNECTED TO INTERNET. If it do not say that, it is internet issues. If it says that, lets move on.
2. Go to Blackbox Main Menu, Click on Live TV, arrow up to (:) in the upper right corner. Click on it, then UPDATE MOVIES AND TV GUIDE. Once this is done. go back to tv and try again.
