Blackbox Tv

Tutorial and Quick Reference Guide

[Let's Set Up your App for 1st Time Use]

1. First we must set up network connection. Press the HOME button on the remote. Go accross the top and click on SETTINGS. Arrow over and click on Network. Once there find your internet name. Click on it and enter your wifi password from the side of your internet box.

2. Once you are Connected. Press the Home Button on the remote again and arrow down to Blackbox Tv, click on it.

3. Here you will Enter your Username(we gave you) then enter your Password(we gave you) then login. Let the system update. Then go to the main page.

4. Arrow up to the top right corner to the GEAR ICON and click on it. Arrow down to Time Format and change it to 12 Hours Format, then Save Changes. Click the back button on the remote and click on Live TV

5. Arrow up to the top right corner and click on the (:) next to the Magnifying Glass. Arrow down to REFRESH TV GUIDE. Once this is done, you will be back to Main Menu page. Now you can now setup your FAVORITES.
