How to Update Your Expiration Date

1. From the Blackbox Main Menu screen arrow Up and to the top Right Corner of the screen, and **click** on the 2-head (Switch Users).

2. Once in that screen, click Add User then Arrow down and **click** List Users.

3. Now, arrow Over and **click** on the box with your name on it, should be the one you just came out of.

4. Once it logs you back in, you will be back to Blackbox Main Menu page. If not, arrow back to that screen. The new due date will be showing at the bottom of the screen. Repeat these

Steps any time your date needs updating.
