

HOW TO UNINSTALL/INSTALL BBTV ON ANDROID BOX

Go to Settings, More Settings, Device Preferences, Security, Unknown Sources and make sure Google Chrome is turned ON.

You can skip step 1 if this is a new install

1. First go to your main menu of apps, middle box on left side(All Apps) and arrow over to your old app. Click Menu button on remote(2 lines box) then arrow over to Uninstall. Click it and that will delete your old app.
2. Go back to home, Click on Chrome then click on the mouse button on your remote. You will need this to do all of the rest of your steps. Use the mouse to click in the address box at the top and type the following:

blackboxtvshop.net/plusbonus

This link is for Platinum users.

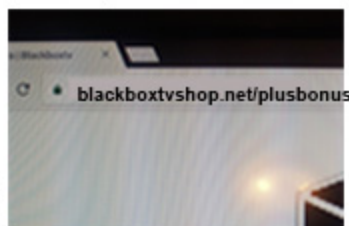

blackboxtvshop.net/platinum

3. Once you type in the link click Enter(Green circle) on the keyboard and it will take you to the webpage. Turn the mouse off and Arrow down to the bottom of the page to you will see (Click Here to Install). Click to activate the mouse back again and click on that link.
4. When the next page comes up use the mouse to click on the bottom link(Continue to Website). Once you get to next page, wait for it to change to an open window on the right side, Use your mouse and click on the (Arrow down) link and click on the link for (Direct Download).
5. A Chrome needs storage Box should appear, if so use mouse and click (Continue). This will start the Download process. Watch carefully for a Blackbox Tv box to popup at the bottom of the screen that says Downloaded.
6. On the home screen Go back to All Apps, then File Manager, Local Memory and then Download. In this tab you should see the Blackbox.apk, click on it to install it to your device.
7. Once it is installed click open and put in the login info that was sent to you. In the 1st box(any name you want) input the info sent your for the 2nd and 3rd box. Click add user then click on your name in the box that appears.
8. Arrow over to Guide and click to install it. After that go up to the (Gear icon) click on it, go to Time Format, change it to 12 hour, Save changes. Click the back button to go back to main screen, From here you can add your Favorites. A link will be sent to show you how to do this or click on: www.blackboxtvshop.net/Favorites.

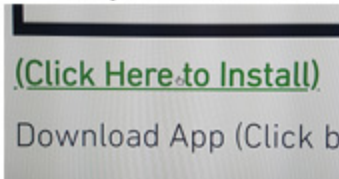

All Programs Tab

Step 2. website link

Step 3. install link

Step 4. download link
